Mar 4 – Meeting – 7:00 PM
Mar 22-23 Work Days/Food – 9:00 AM
May 18 – Picnic – members only
Jun 3 – Meeting
Sep 3 – Meeting
Oct 5 – Fun Fly –open to everyone
Dec 2 – Meeting

Meeting - Ralph Heagy's home
18 Kimberly Court
Lancaster PA 17602
Call 717-464-9293 for directions

Time to Prepare for the 2003 Season

Another flying season is just about here, so get your planes and helicopters ready. I feel like our club had a good active 2002 season, and I hope the 2003 season is as good and even a lot better. I believe using the phone helped to get some people to the field so let's try this more often. The designated flying night will be on Thursday evening again; however, the field is open everyday and night of the week, so feel free to use it anytime. (Note: Except Sundays before 1:00 per Mr. Musser's request.)

Now there is a part of having a club and a flying field where dedication and seriousness comes into play, such as workdays. We must finish the pavilion. There is not an awful lot to finish, but it should be done. We have to move the windsock and field box. We have a flight line fence to install (cost: \$40) that was donated by Ted Liebig. Our driveway needs a pipe installed, donated by John and Richard Gentile. A very nice sign was donated by Jim Langley for the entrance to the field. This must be installed, and our driveway must be restored and raised to eliminate the mud.

So we will need hammers, saws, posthole diggers, shovels, ladders, and most of all, people. At our March 4, 2003 meeting, we will discuss having food for these workdays. Work Days are March 22-23. I'll be there at 9:00 A.M.

Bring your planes. We might have time to fly afterwards! - Ralph Heagy, President

Also, here's another list of people to thank for their help: **Ted Liebig** – Donated \$5 to the general treasury. **Ken Converse** – Donated \$40 for another fence. – Troy, Secretary

President: Ralph Heagy 717-464-9293
Secretary: ElectricTroy@yahoo.com
Field Marshall: John Robbins

Vice President: John Hilt
Treasurer: Joe Robinson
Safety Officer: Jim Langley
