

Come Fly With Us Buck Remote Control Club

May 2003 Newsletter

Calendar

Sep 02 – Meeting – 7:00 P.M. – The Field
The Hobby Shop (if rain)
Sep ?? - Mussers BAR-B-Q
Oct 11 – Fun Fly –open to everyone
Dec 02 – Meeting/Election

Thursday/Sunday Flying

Thursday at 5:00 & Sundays at 1:00 P.M. are our “official” flying times. Come then and some one will be at the field. Also use the roster to call other club members and invite them to come join you. Flying is more fun with friends!

From the President...

At our meeting on August 5, 2003, the few members that attended discussed how and when we should have flying lessons, and it was determined to have them on Thursday evenings and Sunday afternoons/evenings. We discussed mowing the grass shorter, and I talked to the people that do the mowing, and they will do this for us.

When you go to the field and use the chairs, please return them under the pavilion when you leave. Thank you. Someone donated another picnic table and a gas grill to our club. Thank you very much.

Our Fall Fun Fly will be held October 11, 2003: 9:00 A.M.-5:00 P.M. The rain date is October 18. Kits will be raffled, a 50/50 raffle, and we will have a full-size helicopter for passenger rides. Jim Langley will head a committee to organize this event.

Our next meeting will be on September 2, 2003 at 7:00 P.M. at our field. In the event of rain we will hold the meeting in Mussers' Hobby Shop foyer. I will be asking for a nominating committee for our upcoming December election for officers for the year 2004.

Ralph J. Heagy

Learn to Fly...

The cooler fall months are almost here. Now's a good time to learn to fly! The following people are available to teach you how to fly: Jim Langley, Joe Robinson, Troy Heagy. Just give them a call at these numbers: 717-354-2544, 717-548-4020, 717-464-9293 to arrange a time and place for your training session. ☺

"As I grow older, I pay less attention to what men say.
I just watch what they do." - Andrew Carnegie
